

Support and Counselling Services for Students

The university offers students from all faculties' psychosocial support for challenges, stress and concerns.

Psychotherapeutic Support and Counselling Services for Students at the SFU

Here you will find the contact details of external psychotherapists who can offer you support, guidance and decision making assistance in a wide variety of situations. If you are insured with the ÖGK or the BVAEB, the place can be funded. If necessary, please contact the psychotherapists directly and let them know that you are coming via the psychotherapeutic support and counselling services for students of the SFU.

Please note that this offer is a psychotherapeutic support and counselling service for students and not self-awareness or teaching therapy/teaching therapy. Therefore, this cannot be used or credited for the required self-awareness hours for the Propädeutikum or the Fachspezifikum.
